**BRING your children or grandchildren for a fun and educational sailing experience this summer.**

The Lake Osoyoos Sailing Club, in cooperation with BC Sailing, is offering two 5-day Optimist Dinghy day camp sailing programs in August. The programs will offer the basics of sailing for ages 6-13 in a fun environment, giving young sailors an opportunity to learn launching, docking, steering, balancing, propulsion, boat safety and other skills.

Seven-foot nine-inch Optimist Dinghies will be used. By the end of the course, students will be able to safely sail on their own. In addition to these skills, the program develops confidence and leadership in its participants.

No experience is necessary, but participants must be comfortable in and on the water while wearing a life jacket or PFD. Professionally trained and Sail Canada certified coaches will ensure every experience is a positive one.
